### Is This Your Bill?

"The Sins of the Flesh" are punished in this world-not in the next.

Disease is not an accident, nor is it sent by Providence. It is Nature's punishment for the breaking of her laws.

Hemorrhoids, for example, occasion an infinite degree of discomfort, suffering and misery. So does a fissure or a fistula.

But such punishments are meted out to those who sin against Nature in two ways, by neglecting to maintain regular, easy, thorough evacuation of the bowels-who form the bad habit of constipation, or what is a worse habit, the taking of pills, castor oil, purgative mineral waters, salts, etc., with the mistaken idea of overcoming constipation by forcing the bowels to move unnaturally.

But the Nujol Treatment for Constipation prevents such sins of the flesh, or mitigates the punishment therefor.

Nujol helps to re-establish easy, regular, thorough evacuation of the bowels.
